

Technical drawing of a gate structure. The drawing shows a top-down view of a rectangular gate divided into two equal halves by a central vertical hinge. The overall width is labeled as 5m and the height is labeled as 1.8m. The gate is supported by two vertical posts, one on each side. The background is a light gray grid.

Diagram of a vertical pile foundation. The pile is 1.8m high. The pile cap is 0.35m wide. The pile is embedded in a foundation of 0.50m width.
